Mr. Cartha D. DeLoach *Carb*
Assistant Director
Federal Bureau of Investigation
Washington 25, D. C.

Dear "Duke":

This is just to say "Thanks" for your kindness and thoughtfulness in asking me and Colonel Grogan to visit the Bureau's Minneapolis Office on 21 August. It was quite a thrill for me to meet the Special Agent in Charge and some of his staff, and to have you and him describe how a field office works.

That was a "first" for me and so I have a much better picture of the inner workings of your system. I received an impression of quiet efficiency and alertness, which was no surprise to me.

Best regards,

Sincerely,

13/ Pearce
